ORDER

This is a second appeal filed before the Commission by the appellant on 08.03.2007. The facts leading to the Appeal can be summarized as follows:

The appellant made a request to the Public Information Officer of the Office of the Director of General Education on 22.09.2006. He asked for some information regarding the representation made by a teacher. On 04.10.2006 the appellant was informed to remit the fee as decided by the Government. And he was given the information asked for on 17.11.2006.

Since some part of his application was rejected he filed the first appeal before the Appellate Authority on 12.12.2006. The Appellate Authority informed him on 29.03.2007 and again on 12.04.2007 to come to the Public

Authority to inspect the file. But the Appellate Authority subsequently informed the Commission in its report that he did not turn up.

On receiving the 2nd appeal, the Commission asked for a report from the Appellate Authority. The Appellate Authority in its report filed before the Commission on 19.05.2007 informed the Commission that inspite of repeated intimations, the appellant has not turned up to inspect the file referred to. The Appellate Authority also assured the Commission that it would again make the same offer to the appellant.

The Commission examined the 2nd appeal and the report of the Appellate Authority very carefully. The Appellate Authority has already granted the request made in the 2nd appeal. Besides, it has informed the Commission that it will make the same offer once again to the appellant. It is upto the appellant to decide whether he should make use of the opportunity or not. The Commission is not inclined to do anything about it. No further intervention is called for in this case.

The appeal dismissed.

Dated this on 11th day of June 2007.
