**ORDER**

The Appellant filed his 2nd Appeal before the Commission on 30-5-2007. The facts that led to the 2nd appeal can be summarized as follows:—

The Appellant submitted an application for information to the PIO, Office of the District Educational Officer, Kottarakkara on 26-2-2007 asking for some information connected with the appointment of Aby Philip as U. P. School Assistant. It was replied to on 26-3-2007. Not satisfied with the reply he filed the first appeal on 13-4-2007. The first appeal was replied to on 2-5-2007. The appellant was instructed to take back the cheque and remit the necessary amount. He was informed that the documents asked for would be issued on remittance of the cost thereto. It was against this order that he had submitted his second appeal.

The Commission called for a detailed report from the 2nd respondent. The report was submitted on 31-7-2007. In the report it was made clear that the documents asked for were furnished on 25-6-2007.

There was no delay in furnishing the information. Therefore, there is no cause for any further interference from the Commission. So the appeal is disposed of accordingly.

Pronounced this on the 13th day of December, 2007.
